

## Thermaseal Pricing

Standard ridge board is a R-5 per inch. Thermaseal is a R-7 per inch. So a typical application is 1 1/2". Some will spray on 2" which is around a R-14. The below pricing is for 1000 square feet or more and within 45 miles of our location. Walls must be dry and assessable.

|        |        |                      |
|--------|--------|----------------------|
| 1 1/2" | R-10.5 | \$2.15 a square foot |
| 2"     | R-14   | \$2.35 a square foot |
